

The Heritage Days Classic Stallion Service Program was established as a primary fundraiser to help grow the purse of the HDC Derby.

Heritage Days Classic Stallion Service Auction Conditions

Stallion Services are donated to HDC and the donated services will be offered for sale through the HDC Stallion Service Auction. Information on donated stallions will be published in print and digital marketing outlets, listed on the HDC auction website, HDC and STRCHA social media accounts and websites. Additionally, stallion banners will be displayed at the HDC Derby if provided by stallion agent before the 2021 HDC event.

As a condition of this contract the stallion owner/donor must agree to the following.

1. The stallion owner's standard breeding contract will be signed indicating the donated breeding and sent to the breeding facility so they will be familiar with the donation. **A photocopy of the breeding contract should also be returned to HDC with this donation contract for informational purposes. The owner is responsible for sending their original breeding contract to the mare owner.**
2. If the stallion is sold anytime during the stallion auction, the donor of the stallion breeding must immediately notify HDC.
3. The stallion owner may charge the mare owner for normal mare care charges and any other applicable fees such as chute fees, veterinary fees, semen shipping fees, etc. Contact the breeding facility for additional fees. (i.e. shipping to Canada).
4. Once the breeding has been sold, HDC will notify the stallion owner and/or breeding facility. The contact person's name and phone number of the breeding facility will be given to the purchaser. Breeding arrangements will be made between donor and purchaser. HDC is not responsible for booking dates or any additional fees associated with this breeding. Winning bids will be paid using the credit card associated with the winner's account on the auction site.

Stallion Service Auction Procedures

All breedings donated to the program will be offered for sale online at HDCAuction.com. If a stallion stands at Private Treaty or is syndicated, an "established" breeding fee will be determined. In order for a bid to be considered, it must be at least fifty percent (50%) of the advertised or established breeding fee. Any breeding not sold when **initial bidding** closes, or breedings donated after November 27, 2020, will be offered on a first-come, first-serve basis for 50% of the advertised breeding fee. Donated breedings will be offered until sold or until January 31, 2021.

A stallion owner/donor may purchase their own stallion service at fifty percent (50%) of the advertised or "established" breeding fee at the time of donation. This will eliminate the stallion from the public auction, but the stallion will still be listed in all the above marketing outlets and on the HDC website.

Any breeding purchased through the HDC Stallion Service Program may not be transferred or re-sold by the purchaser. Breedings are for the 2021 season only. Any carryover to a future year is at the sole discretion of the stallion owner.

Important Notice:

The purpose of this program is to provide funds for the HDC Derby Program. In view of this purpose, there will be no refund of winning bids for any reason. After the bidding has been completed, any transaction dealing with the breeding will be solely between the stallion owner and the mare owner. It will in no way involve HDC. Submitting a contract indicates acceptance of the foregoing statements.

Please include a photocopy of the stallion's registration papers AND a photocopy of the breeding contract. Email photo of stallion for the website to hdcauction@gmail.com. Complete forms can be mailed to: HDC Stallion
